The Department carries out its mission in two major ways. Republishing of columns on this website requires the permission of both the author and editor.

### Funding

The university system argued that the Montana Constitution gives it the sole authority to set its own policies.

### R&D at Colleges and Universities

Department programs also provide grant, loan, and work-study assistance to more than 12 million postsecondary students. One of the benefits of 529 plans is the tax-free earnings that grow over a period of time.

### Academic Research and Development

Everyone must have the same size flat apartment.

### The Federal Government Violates Education Code.

They should not be forced to choose between paying their student loans and putting food on the table.

### Individuals with Disabilities Education Act (IDEA)

To that end, HBCUs should seek opportunities to provide Community Emergency Response Training CERT to our students. Funding for research and development is moving away from grants.
