## Cultural Influences in the Clinician

Bureau staff uses it for intake, investigation, and case management. Second, the impact of home care compared to institutional care on elder health outcomes was less clear.

## Guide to Improving Patient Safety in Primary Care Settings by Engaging Patients and Families

The strategy is required to identify service gaps and provide date-specific recommendations, including suggested legislation, in order to fill those service gaps. A second reviewer independently verified all extracted data points for accuracy and completeness. A companion may NOT provide hands-on personal care to a client.

## Alternatives To Nursing Homes

Persons aged 60+ are eligible for services under the Older Americans Act. To be honest, it is quite straightforward. OBRA 1987 established a second home- and community-based waiver program under Section 1915 d.

## Policies and Programs to help America's Senior Citizens

The law also established the Administration on Aging AoA to administer the newly created grant programs and to serve as the Federal focal point on matters concerning older persons.

## Home and Community

Senate, Special Committee on Aging .
