Darker Shades of Blue: The Rogue Pilot

Beyond these few issues this is an excellent read.

Darker Shades of Blue: The Rogue Pilot

The rogue pilot has long been a menace in our skies, but a clear definition of just what a rogue aviator is, and concrete strategies on how to deal with one, haven't existed until now. Almost all will recognize rogue tendencies in their own behavior and will confront a decision to make corrective actions or to continue.

Darker Shades of Blue: The Rogue Pilot

He holds Masters Degrees in Public Administration and Military History, as well as a Doctorate in Higher Education specializing in human factors training design. What we really like about Col.

Darker Shades of Blue: The Rogue Pilot by Tony Kern

They are found in the cockpits of major airliners, military jets, and in general aviation.

This book was introduced to me as a part of my recurring flight training.

Darker Shades of Blue: The Rogue Pilot

Excellent book and a useful outline for self evaluation. The discussion of the Ron Brown crash places a lot of blame on the squadron leadership for sending the aircraft on a mission in violation of regs. Tony Kern has touched a fundamental theme by defining rogue behaviour, including rogue

behavior by individuals and by organizations.
