Drummer In The Dark by Francis Clifford

In fact, just the opposite was true.

List of drummers

I was thankful that I was reading this on my Nook an e check out from our local library because that afforded me the opportunity to look up the words that I didn't know without leaving that page! Perhaps it would be great for one who understands high finance, the stock market, and national and international banking, but it was often over my head, and therefore less enjoyable. A very good book with an eye opening view of a side of Wall Street that is a little scary to know. However, understanding derivatives in the financial sector is apparently above my abilities.

I am still glad I read the book. I started this book multiple times.

Drummer In the Dark

Clifford is as focused as single-minded as Howard, so single minded that he dispenses of elements such as suspense. Drummer is about forex trading, aka hedge funds.

My other complaint is that there were so many players that I had a hard time keeping track. As the drummer for legendary electro-pop giants OMD Orchestral Manoeuvres in the Dark.

Drummer In The Dark by Francis Clifford

Davis Bunn spun a legal thriller that wowed critics and readers alike. I like the way this author stretches my mind and my faith. The story line is intriguing and the premise is terrifyingly real.
