Studies of Political Thought from Gerson to Grotius: 1414

Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.

Studies of Political Thought From Gerson to Grotius, 1414 1625

Yet it was living once and effectual. By the 17th century, the controversial notion of the divine, God-given right of kings to rule had emerged. Those familiar with the literature will be aware that adequately to illustrate by quotation topics in the text would swell this little volume into a Cyclopaedia.

Studies of Political Thought from Gerson to Grotius, 1414

Still, I have read a good deal more in the six literatures, all so vast, with which the lectures deal, and the conclusions are based on a wider induction than when first set forth. John Neville Figgis 1866—1919 was a historian, political theorist and monk, his writings extensively influenced the history of ideas and prefigured the theological developments of the 1920s.

Studies of Political Thought : From Gerson to Grotius (1414

Also in this Book A school is designed to provide learning environments for the teaching of students under the direction of teachers. Even though it seems to him to appear for the first time, probably his feeling is due to ignorance and someone better informed could tell him differently. Responsibility: by John Neville Figgis.

Buy From Gerson to Grotius 1414

This book will be of value to anyone with an interest in Medieval history, Renaissance history, and the history of ideas in general. First published in 1916, this second edition of a 1907 original provides six chapters on various aspects of political thought from between 1414 and 1625, together

with one introductory chapter and extensive notes. The gradual shifts of authority from the centralized church, to the monarch, and finally to the proto-Republican movements of nations, are shown to be rooted in scholarly ideas.
