## Sisters Mood Chance & Choice Pendant Necklaces

I mean, I can think of a lot of words that it wasn't. So I got a big loan. Nelson met the painter by chance while he was visiting another artist in the same Downtown L.

## Oral history interview with Claire Falkenstein, 1995 Mar. 2

It doesn't have to represent a damn thing, you know. PAUL KARLSROM: Okay, all of the forties.

## Marie Claire Calls for Media to Show More Parents Having Abortions

But, the great one who-- I should have looked around my place downstairs and got some of these names. You as an independent woman.

## Long Beach Museum of Art opens three exhibits, one inspired by local man's experience lost at sea

I was feeling dimensional, three-dimensional. This includes a new film by , a sculptural fountain by , a garden by and an installation by , which employs water used to wash sites of violent crimes. My question is this, that your work is abstract for the most part.

## Series 10

And a lot of it is because I've never done that before, and I had no commission, so to hell with it.

## The Upshot

I'm growing in painting in a way that is unbelievable.
