indeed I do think that the energies of mankind are chiefly of use to them for such work; for in that direction I can see no end to the work, while in many others a limit does seem possible.

News from nowhere, or, An epoch of rest : being some chapters from a utopian romance on Apple Books

That we live amidst beauty without any fear of becoming effeminate; that we have plenty to do, and on the whole enjoy doing it.

William Morris

It was said; but was any one expected to believe this? There are parts of these islands which are rougher and rainier than we are here, and there people are rougher in their dress; and they themselves are tougher and more hard-bitten than we are to look at.

News from nowhere, or, An epoch of rest : being some chapters from a utopian romance on Apple Books

In law, whether it be criminal or civil, execution always follows judgment, and someone must suffer.

News from nowhere, or, An epoch of rest : being some chapters from a utopian romance on Apple Books

Written for a range of audiences, these works are a treasure for any curious reader looking to see the world through the eyes of ages past. . But I will ask you some more questions as to how you as free men manage your affairs.

News from Nowhere

It looks down on the north-western end of the forest you passed through. My friend seemed to understand it, and sat looking on me with a pleased and affectionate interest. Hammond What was the government of those days? Good-bye and good luck, Guest! However, there was still the Thames sparkling under the sun, and near high water, as last night I had seen it gleaming under the moon.

News from nowhere, or, An epoch of rest : being some chapters from a utopian romance : Morris, William, 1834

You remind me of the radical cobblers in the silly old novels, who, according to the authors, were prepared to trample down all good manners in the pursuit of utilitarian knowledge.

News from Nowhere; Or, An Epoch of Rest by William Morris

First Edition In book collecting, the first edition is the earliest published form of a book.
