### Common Informal Logical Fallacies {Part 2}

Your Turn: See if you can identify a third option these politicians failed to mention. Abortionists are government licensed hit men.

### List of 16 Most Common Logical Fallacies Explained with Examples

Inductive Arguments: in an inductive argument the conclusion likely at best follows the premises. The conclusion here is that everyone wants to see the new Marvel movie, but the premise simply assumes that is the case by claiming it is the most popular movie. The real threat to our country is terrorism.

### 10 Common Logical Fallacies with Examples

Next, note relevant similarities and differences. Another causal fallacy is the post hoc fallacy.

### Common Informal Logical Fallacies {Part 2}

In fact, you could have a rather complex argument with several premises.

#### **fallacy**

This fallacy can also be used when an expert in a given field claims that his or her position is true by virtue of their education or achievements.  
Julian: Well, there are over 2 billion Christians in the world.

### What is a Logical Fallacy?

Bandwagon You might have jumped on the bandwagon before.
