### Italy's bloody secret

Previously, other newspapers had been founded with the same title: on 30 April 1881 founded the Avanti! The Roman edition of clandestine Avanti! The strike had an aggressive attitude. Also two linotypes were made almost useless. In this occasion, , still a republican leader at the time, intervened in favour of the socialist newspaper.

### Italy's bloody secret

The aggressors are militarily organized, while defenders are not.

### Fascist symbolism

An idea can not be suppressed like a hammer can destroy the machine which spreads it to thousands of workers in workshops and fields. L'Ardito, the newspaper, of 18 April 1920 exalted the anniversary of the first squadrist attack against Avanti! As an example, when a merchant started operating a soup kitchen, Der Stürmer ran articles accusing the business of poisoning the food being served.
