of Practising Certificates

If not titled this way the document will be rejected due to not meeting the recording requirements defined in the State Statute.

Federal :: Current Federal Document Issue

WIPO members are considering whether, and to what extent, the intellectual property system should be used to support and implement these obligations. As such, it is not easily protected by the current intellectual property system, which typically grants protection for a limited period to inventions and original works by named individuals or companies. This unit applies to people working in roles with managerial responsibility for legal and ethical compliance in small to medium sized organisations.
