## 'The Mentalist' Surprising Facts and Trivia

Studiously avoiding prevalent social issues such as racial discrimination and civil rights, the shows focused on mostly White

middle-class families with traditional nuclear roles mother in the home, father in the office and implied that most domestic problems could be solved within a 30-minute time slot, always ending with a strong moral lesson. With direct relevance to current debates on the role of public service broadcasting, and the impact of technology and advertising on its funding model, the authors set out a critique of broadcasting policy and practice which speaks to today's hottest issues. Broadcasting and Public Life: RTÉ News and Current Affairs 1926-1997.
