Flatland: A Romance of Many Dimensions (Illustrated) by Edwin Abbott Abbott

It has a shadowy similarity to , but falls well short of that Swift classic. Schooled in the Classics, Mathematics and Theology, and becoming a schoolmaster and theologian, you can see how the education and beliefs of Edwin A Abbott helped to inspire this book. It will appear a circle.

Flatland: A Romance of Many Dimensions (Illustrated) by Edwin Abbott Abbott

I found it helpful to see the same ideas explained in slightly different ways. Now I hesitate to even mention that, because of the potential angst that subject causes many of my friends.

The Annotated Flatland: A Romance of Many Dimensions: Stewart, Ian: 9780465011230: tech.radiozamaneh.com: Books

Much of it came across as disturbing, such as women in Flatland being the lowest of the low almost a straight line whereas rulers and priests were of the highest order circles. In the end, the monarch of Lineland tries to kill A Square rather than tolerate his nonsense any further. In fact, he discusses two books: Flatland by Edwin A.

The Annotated Flatland: A Romance of Many Dimensions: Stewart, Ian: 9780465011230: tech.radiozamaneh.com: Books

THIS IS THE BEST BOOK I HAVE EVER READ! If possible, read in one go. New York: Dover Thrift Edition 1992 unabridged. But there is no up in Flatland.

Flatland: A Romance of Many Dimensions by Edwin A. Abbott

I enjoyed the mathematical explanations and the quirkiness of the ideas. I definitely recommend you read Flatland before you flatline. You could see them from below or above but not in a world that has only two dimensions.

The Annotated Flatland: A Romance of Many Dimensions: Stewart, Ian: 9780465011230: tech.radiozamaneh.com: Books

Try to imagine such a world. Reading them one after the other was enjoyably challenging.

Flatland : a romance of many dimensions : Abbott, Edwin Abbott, 1838

He says Hinton's book is better, and I have managed to locate an online version recently, but have not had time to read it so far. Abbott 1838-1926 , it describes the journeys of A.
