### Summary of the Beliefs of Ahlus

Most Gracious, Most Merciful 4. Over the passage of time a lot of sects have strayed in their understanding of Qadr, from them are the Mu'atazilah, the Jahmiyah and some of the Asha'irah, but their deviant understanding goes back to the two main groups of the Qadariyyah and the Jabariyyah. Muhammad once told his followers that there are five responsibilities each Muslim has toward their brothers and sisters in Islam: greeting each other with salaam, visiting each other when someone is sick, attending funerals, accepting invitations, and asking Allah to have mercy on them when they sneeze.

### Islamic Greetings: As

When mentioned separately, both al-qada' and al-qadr mean the predestination of an action or an event. It was the practice of early Muslims for the person who enters a gathering to be the first to greet the others. As Muslims it is upon us to believe this whether it agrees with our intellect or not, and to not ask why? Saladin reconquered Jerusalem from Crusaders Salahuddin is best known for repelling the Crusaders and reconquering Jerusalem.

### Summary of the Beliefs of Ahlus

Indeed, Allah knows all things. And, if a son has been destined for you, then you will be granted one, whether you have intercourse with your wife or not. Saladin was born in 1137 AD in Tikrit, Iraq, and studied the Quran and theology along with astronomy, mathematics, and law.

### Do we say al

Indeed, he was the epitome of a true hero and a devoted Muslim. And verily, a person may be deprived of sustenance due to a sin that he commits.

### Salahuddin Ayyubi (Saladin)

Subsequent efforts by the Crusaders to win back Jerusalem were resisted until they finally gave up and retreated homewards.

## **Surah Al**

You alone we worship; You alone we ask for help 6.

### **Wa alaikum alsalam wa rahmatu allah o barakatu**

Shall we not be dependent on al-qadr and give up actions? He knows that which we hide in the midst of our souls and He knows that which we publicize to all of mankind. Al-Kawni is all that Allah wills and hasn't given man total control over, the likes of the orbiting of the earth around the sun, the appearance of the stars at night, the waves in the ocean, the ability to ride a bicycle, and kick a football, etc.

## **Surah Al**

When the Christians had overtaken Jerusalem during the very first Crusade, they carried out mass atrocities and killings, creating a bloodbath in which the Muslim residents were the most prominent targets, as graphically documented in the PBS series Islam: Empire of Faith. Whether it be good or bad, and we will be held accountable for that which we used to do. Such as praying five times a day, fasting in Ramadhan, not associating partners with Him, being obedient to our parents etc.
