Jean Paulhan

Ethno-Methodology would not be essentialistic in the Popperian sense. However, we should likewise note that the notion of the true or correct meaning is not given up.

A History of Semantics

It is reconstructed as an argument in support of the standpoint since it appears as justification for the standpoint. Following Saussure's concept, general linguistics consists of the study of language as a system which includes the subfields of , , and .

Word Meaning (Stanford Encyclopedia of Philosophy)

Introduction Take the above statement from the radio discussion and look up parliament in a dictionary.
