The Merchantman

I have the honor to submit to your Excellency in all respect, the enclosed memorial. These instructions regulate in detail artillery attack by English merchantmen on German submarines. The German Government has no doubt that a merchantman assumes a warlike character by armament with guns, regardless of whether the guns are intended to serve for defense or attack.

The Merchantmen by Rudyard Kipling

It considers any warlike activity of an enemy merchantman contrary to international law, although it accords consideration to the opposite view by treating the crew of such a vessel not as pirates but as belligerents. And north, amid the hummocks, A biscuit-toss below, We met the shallop That whalers know; For, down a ice-lane, That as he sped, We saw dead Hudson Steer, by West, his dead. However, due to the high costs of operations, today these fleets are in many cases sailing under the flags of nations that specialize in providing manpower and services at favourable
