Great Philosophers: Schopenhauer

Whoever you are, you are sure to die, even though your life has been full of abomination and crime.

Schopenhauer's Aesthetics (Stanford Encyclopedia of Philosophy)

Noise is the most impertinent of all forms of interruption.

The 10 Best Movies Influenced by The Philosophy of Arthur Schopenhauer

Arthur Schopenhauer Honor means that a man is not exceptional; fame, that he is. I have declared space and time to be part of the Principle of Individuation, as it is only space and time that make the multiplicity of similar objects a possibility. Amongst the Christian Fathers, Origen, with praiseworthy courage, took this view, which is further justified by certain objective theories of life.

Arthur Schopenhauer (Stanford Encyclopedia of Philosophy)

There is no doubt that many a man owes his good fortune in life solely to the circumstance that he has a pleasant way of smiling, and so wins the heart in his favor. Do not copy, display, perform, distribute or redistribute this electronic work, or any part of this electronic work, without prominently displaying the sentence set forth in paragraph 1. No wonder his trust and love for his fellow humans was so low.

On the Freedom of the Will

I'm not going to be put off with 'mysterious powers,' and what you call 'phenomena. At the same time it is candid in confessing that a man must turn his back upon the world, and that the denial of the will to live is the way of redemption.

Arthur Schopenhauer Character Analysis in On the Genealogy of Morals

Denial of the will is attained by either: 1. Reason deserves to be called a prophet; for in showing us the consequence and effect of our actions in the present, does it not tell us what the future will be? This amounts to a self-overcoming at the universal level, where not only physical desires are

overcome, but where humanly-inherent epistemological dispositions are overcome as well.

Schopenhauer : the human character (Book, 1990) [tech.radiozamaneh.com]

In his powers of reflection, memory and foresight, man possesses, as it were, a machine for condensing and storing up his pleasures and his sorrows. WWR I, 282 Tragedies of this type are more rare and more difficult to execute.
