Mississippi river course is only shown downstream of Ohio confluence. A lot of our basic assumptions -- the Free Market, the role of banking and finance, the rule of law -- all have English origins. Judd tackles the expected things, like Prime Ministers, the impact of the British monarch on the empire, and the histories of important colonies, like India, but he also addresses things I would not have thought of.

Empire: The British Imperial Experience from 1765 to the Present: Denis Judd: I.B. Tauris

Although India was the jewel of the empire, things here were complicated indeed, and even more difficult in Africa. I think it is important for Britain and Chile to reach an agreement on this issue, even more, to increase and improve relations as countries.

Empire: The British Imperial Experience from 1765 to the Present

Britain victorious and takes control of all of Canada; France seeks revenge.
