### How to Deal With an Angry Partner

Can someone help me please? And we all know that a relationship without trust is one that's just waiting to fail. You can be mad at someone and love and respect them at the same time. Face them, every part of you should look interested in what they have to say — body language says a lot and if you're turned away or slumped over it's going to come off as if you don't care.

### 6 Ways To Make Up After A Fight No Matter How Bad It Was

You can do small things for them to physically show them if you're unable to find the right thing to say — make them their favorite dinner, flowers, plan a night out or just show them love and reassurance because they're going to need it.
