Federal :: Medicare and State Healthcare Programs: Fraud and Abuse; Revisions To Safe Harbors Under the Anti

For example, if a claimant quit because he suffered an allergic reaction to a chemical with which he was required to work and he informed the employer of the problem prior to resigning, then the claimant would have quit for good cause if the employer did nothing to correct the problem. He was employed as a part-time host in a busy restaurant.

Analyzing Arguments With Logic

For the final rule, we are considering, and solicit comments on, how best to treat health systems and others that may be entering into the device or technology development arenas. We recognize that this alternative option may affect contribution requirements only for technology-based remuneration that is most likely to need upgrades, updates, and patches to continue operating as intended.

One Thousand and One Nights

We solicit comments on this approach and any other conditions or permitted conduct we should enumerate in this safe harbor, with respect to determinations related to cybersecurity donations. Similarly, we do not intend to protect donations of technology or services that are otherwise used in the normal course of the recipient's business e. As always, all safe harbor conditions would need to be precisely met for safe harbor protections to apply.
