### **Leopold II of Belgium**

The popular demands presented by Corsini were for the abdication of Leopold in favour of his son, an alliance with Piedmont and the reorganisation of Tuscany in accordance with the eventual and definite reorganisation of Italy.

### **Leopold II, Holy Roman Emperor**

In face of the reaction in France to the Declaration of Pillnitz, the intrigues of the émigrés, and attacks made by the French revolutionists on the rights of the German princes in , Leopold continued to hope that intervention might not be required.

### **Leopold II, Margrave of Austria**

In 1089 Margrave Leopold helped pay for the construction of in the region by donating extended premises high above the shore of the for the new monastery.

### **Leopold II, Margrave of Austria**

Leopold attempted a policy of neutrality with regard to the , but was expelled by a bloodless coup on 27 April 1859, just before the beginning of the war. Subsequently, he was declared deposed by the king, who gave the to his loyal supporter Duke. When, therefore, in 1789 Joseph, who knew himself to be dying, asked him to come to Vienna and become co-regent, Leopold evaded the request.

### **Leopold II of Belgium**

Before he died he ordered the burning of his Congo files, putting to the flame every scrap that could be collected. Upon the early death of his older brother in 1761, the family decided that Leopold was going to succeed his father as.

### **Leopold II**

His good sense was revolted by the folly of the French émigrés, and he did his utmost to avoid being entangled in the affairs of that country.
