Fiscal Balances and the Rise of Catalonian Separatism: The Misuse of Economic Theory

The latest numbers are in line with the ones shown here up to 2009; from there on, there are small discrepancies due to presumably revisions that do not bear any influence on the issue discussed here. Adding all the inhabitants of a region you can calculate the fiscal balance of the place.

The Economical And Social Influence Of The Ports Of Catalonia In Its Territorial Organization. Considerations About The Optimisation Of Its Resources.

How could this outcome have happened? It is in practice a federal arrangement, even though it is not called as such.

Fiscal Balances and the Rise of Catalonian Separatism: The Misuse of Economic Theory

This leads to situations that can be considered amusing, were it not for the damage they have done. Although, alas, this is also being less and less the case. This is simply because it is at the core of the separatist strategy.

Fiscal Balances and the Rise of Catalonian Separatism: The Misuse of Economic Theory

Spanish Regional Administrative Structure In order to understand some of the issues involved in the fiscal balances discussion, some background on how Spain is administratively organized may be needed.

Fiscal Balances and the Rise of Catalonian Separatism: The Misuse of Economic Theory

Under the monetary flow approach, when the regional government of Andalusia spends 2. Therefore it is po Keywords. To these health care

purchases, we must add revenues from the national education sector and public research: scientific and laboratory equipment, management software of all kinds, and a number of additional products.
