From Asia

Ahn SJ, Ahn SJ, Wen ZT, Brady LJ, Burne RA 2008 Characteristics of biofilm formation by *Streptococcus mutans* in the presence of saliva. By treating the issues of cosmology, sacrifice, and self-divinization in a historical and comparative framework that attends to the contemporary significance of specific arguments, Puett shows that the basic cosmological assumptions of ancient China were the subject of far more debate than is generally thought. Proclamation which respects the rights of consciences does not violate freedom, since faith always demands a free response on the part of the individual.

The pathogenicity of the *Streptococcus* genus

Antigonus, however, though he had been a violent enemy to him, would have spared his life, if he had but been allowed to do so by his friends, because he was certain that he could not be better assisted by any one in those difficulties which, as was apparent to all, were likely to fall upon him. This book explores how memories of the past become traditions, and the role of these traditions in the institutional development of the noh theater from its beginnings in the fourteenth century through the late twentieth century.

Meredith Townsend

The full truth of Jesus and the salvation he has won is always a gift, never the result of human effort. Many other cities will have to switch to lighter vehicles.

Western Civilization_ A Concise History

The Synod Fathers noted that proclaiming Jesus as the only Saviour can present particular difficulties in their cultures, given that many Asian religions teach divine self-manifestations as mediating salvation. If I could find a woman with political power before Sofia without looking for one, what else is waiting in the sources of the seventeenth century? Until the late nineteenth century, a large majority of the settled population in every society was necessarily engaged in food production and related activities. Nedostup, Rebecca We live in a world shaped by secularism—the separation of numinous power from political authority and religion from public political, social, and economic realms.

Ecclesia in Asia (November 6, 1999)

In the countries to which they come, these people often find themselves friendless, culturally estranged, linguistically disadvantaged and economically vulnerable.
