Description: -

- Continuing mathematics.
- Continuing mathematics.

Notes: Sponsored by the Schools Council... [et al.]

This edition was published in 1976

Filesize: 48.86 MB

Tags: #Applied #Mathematics

### CEUs

You are required to enroll in your courses each semester. To further secure its courses, the department will require one or more proctored exams during the midterm and final exam periods. After you participate in the first term of courses in the cohort sequence, the Office of Continuing and Distance Education will notify you with enrollment details for the next term of courses as they become available.

### Continuing Education Courses

For more information call 718 482-5330 or email Center for Immigrant Education and Training CIET The Center for Immigrant Education and Training offers free, contextualized English classes and job training programs, along with career counseling and case management services to low-income immigrant adults.

### Adult and Continuing Education

The Certified Clinical Medical Assistant CCMA Program trains students to become an important member of the medical team who assists the physician with procedures such as taking vital signs, preparing patients for medical procedures, and performing phlebotomy blood drawing and electrocardiography EKG. This includes but is not limited to using our courseware for internal training, redistributing our courseware for sale, and copying all or parts of any of our courseware.

### Continuing Education Courses

We will use the information you provide to send you program updates, including important information about application deadlines.
