This book is a nice reminder of what soulful little creatures they are also they're really bad - as if they'd let you forget.

**Classic Cat Books Series: The Feline Mystique: On the Mysterious Connection Between Women and Cats**

It's a fresh, fascinating exploration of the timeless bond between women and cats, and will deepen your understanding of your relationship with your own feline-be he or she tiger or tabby. By tracing previously unseen parallels across the history of exotic and digital menageries, Berland shows how and why animals came to bridge peoples, territories, and technologies in the expansion of colonial and capitalist cultures.
