Truth and Reconciliation Commission (South Africa)

The final decision of the Supreme Court of Appeal is the one supported by most of the judges listening to the case.

Mob Justice in South Africa: An expression of a failed Criminal Justice System • College Newsletter

The Land Claims Court can hold hearings in any part of the country, if it thinks this will make it more accessible and it can conduct its proceedings in an informal way if this is appropriate, although its main office is in Randburg. A briefly tried solution was to have the translators mimic the witnesses' emotions, but this proved disastrous and was quickly scrapped.

Natural Justice

With this power comes responsibility. The extent to which the evidence may be recorded is invariably influenced by other considerations such as the rights of the parties to privacy and dignity.

Crime and Justice in South Africa

A comprehensive review of trends in crime and an overview of key government institutions. They are divided into Regional courts and District courts. Today, unfettered public access to proceedings in our courts is a fundamental facet of our justice system.
