Islamic Feminism and Hegemonic Discourses on Faith and Gender in Islam in: International Journal of Islam in Asia Volume 1 Issue 1 (2020)

It is Egyptian, as its founders attested and as history makes clear. The quest for national identity: women, Islam and the state in Bangladesh Brighton, England: Institute of Development Studies at the University of Sussex, 1989. The way I see it, Islamic feminism is for all.

Women claim Islam : creating Islamic feminism through literature (eBook, 2001) [tech.radiozamaneh.com]

Oxford and New York: Oxford University Press, 2014.

The Rise of the Islamic Feminists

London ; New York: Routledge, 2001. More specifically, applies a feminist hermeneutics to 6 of the 136 hadith contained in the collection, which are directly related to women and their sexuality.

Islamic Feminism

Her 1958 novel *I Live* is a work far ahead of its time, revolving around a young Lebanese woman as she attempts to negotiate her place in the world; striving for political, social and financial independence. Chapters 3 and 4 are devoted, respectively, to the work of Assia Djebar and Fatima Mernissi, and to the figure of the Egyptian Islamist intellectual and activist Zaynab al-Ghazali.
