City of London School

Children are taught the basic core gymnastics skills on vault, bars, beam and on a specialised sprung floor. The project represents a part of an overall plan to expand capacity at the school.

City, University of London

Many of the accommodation were occupied by soldiers and women working for the at the time and so for the first night, the boys slept in the gymnasium of the school, before moving into the town's billets the following night. These include over 50 clubs and societies including a , public speaking and debating society which frequently participates in international competitions, and the Square Mile Club which in the past has attracted notable speakers such as , , and.

City of London School

The school also participates annually in the UKMT Team Maths Challenge and the Hans Woyda Maths Challenge, consistently finishing in the top ranks each year. Gaining the Gym Mark seal of approval was a very positive step forward for our club and we ask that you all give your support as we embark on another year of continuous improvement. A certain amount of risk taking when it comes to writing the story can be very beneficial.

City, University of London

Bursaries are available at this point of entry to cover up to 100% of school fees and CLS do not permit boys to be entered for both the 11+ and 13+ examinations. Statue of John Carpenter 1372—1442 by situated on the wall of the City of London School's glassed ceiling atrium standing over the door to the balcony of the Great Hall. As part of the club, the children will be eligible to take part in displays and enter competitions both internal and external.
