Against Drug Prohibition

Consider such underestimated dangers as that of secession, which led to the Civil War; of a Japanese attack on the United States, which led to the disaster at Pearl Harbor; of Soviet espionage in the 1940s, which accelerated the Soviet Union's acquisition of nuclear weapons and emboldened Stalin to encourage North Korea's invasion of South Korea; of the installation of Soviet missiles in Cuba, which precipitated the Cuban missile crisis; of political assassinations and outbreaks of urban violence in the 1960s; of the Tet Offensive of 1968; of the Iranian revolution of 1979 and the subsequent taking of American diplomats as hostages; and, for that matter, of the events of September 11. Opinions differ on how much of the credit should be given to Giuliani; to Bratton; and to the last Police Commissioner, , who had previously served under Dirkins and criticized aggressive policing under Giuliani. Yet these are among the very crimes that Congress specifically found to be typical of the crimes committed by persons involved in organized crime, see 18 U.

United States v. Turkette :: 452 U.S. 576 (1981) :: Justia US Supreme Court Center

Is that another example of the backlash you describe? The basic principle of the theory is that the rights of the public to safety are more important than the rights of the criminal. The same could occur with currently illegal drugs.

A 1957 Meeting Forced the FBI to Recognize the Mafia—And Changed the Justice System Forever

Conflict between Giuliani and schools chancellor Ramon C. They are doing what they think the police and the criminal justice system should be doing.

Which Model Crime Control or Due Process

The police help to control crime. The ACLU believes that unless they do harm to others, people should not be punished -- even if they do harm to themselves. After December 1, 2009, will require the government to also include a forfeiture notice in its presentencing report.

A 1957 Meeting Forced the FBI to Recognize the Mafia—And Changed the Justice System Forever

Robinson: Let me go back and introduce this notion of the shadow vigilante. You have a sickness, and I know it's hard for you to accept that.
