## Education of Girls and Women

Trinity House Navigation: opened in 1787 by Trinity House to train poor boys for the sea. Of fourteen prominent members on whom reasonably detailed biographies have been pieced together, at least seven are known to have had middle-class jobs of their own - admittedly a very small and

not necessarily representative sample but suggestive of the relationship between women's economic independence and their commitment to women's rights issues. In 1970, this left-wing positioning was still very much the ethos of the College and several of the main organisers of the conference had links to Ruskin.
