Karl Manitius

This was written in Germany in a gothic hand, acquired by Niccolo Niccoli.

Tertullian : The text tradition

The only representative of this group is the , discovered at Troyes by Dom Wilmart in 1916. Fortunately the texts were printed before the manuscripts were lost, first by in 1545, then by in 1550 and in 1579.

Tertullian : The text tradition

HFS clients enjoy state-of-the-art warehousing, real-time access to critical business data, accounts receivable management and collection, and unparalleled customer service.

Max Manitius

It has thus an exceptional position among the classical review journals and allows familiarization with research and publications in neighboring disciplines. There are also numerous lost members of this group known to us.
