What Are the Prison Epistles?

Petition After introducing all the characters involved in the mediation, Paul finally stated his petition in 17-20. Listen to Paul's words there: If he has done you any wrong or owes you anything, charge it to me Philemon 18. I am going to lead a class on Phillipians at my church in February.

Paul Writes Letters from Prison

There is no mention in Acts of any imprisonment in Ephesus, though in 2 Cor 6:5 and 11:23 Paul does say that he has often been in prison. For this reason, many times the accusers would not show up. These four letters are among the most hopeful and encouraging Paul wrote.

I want to say I agree that the location of the writing is not important and the content is what matters.

The Prison Epistles

This may be implied by Paul's words in Philemon 15-16, where Paul wrote in this way: You might have him back for good — no longer as a slave, but better than a slave, as a dear brother Philemon 15-16. For a consonant reading of another Pauline poem, see Brian J.

Study 10 THE LETTER OF PAUL TO PHILEMON

He spoke out against injustice. In other words, being a follower of Jesus leads to a heavenly citizenship that cannot be contained or crushed by any authoritarian state.
