Dimensions of Forensic Linguistics

Sometimes they suggest research that replicates a published study, sometimes a more detailed analysis of a text referred to in the chapter, while yet others propose investigations that could be the basis of undergraduate or postgraduate projects or theses. When a short answer is required, Vicky Pollard produces a long and irrelevant one, unlike the real witness.

Policespeak by Hall, Phil 7. Is that what the use of it is, or is it a general pager for all your business? We return to handwriting analysis in Chapter 7, while in Chapter 4 we consider the collection of verbal evidence by the police, by examining in detail one of the interviews with Dr Shipman. She had episodes of irritable bowel syndrome.
