Governance and democracy : comparing national, European and international experiences (eBook, 2006) [tech.radiozamaneh.com]

Satisfying American security concerns basically meant co-operating across borders, accepting technical advice and scarce dollar counterpart funds, and allowing a formerly capitalist system to grow rather than building a new industrial economy from scratch.

Governance and Democracy : Comparing National, European and International Experiences (Paperback)

Sonja Zmerli and Tom W. Comparing Social Models in Europe and America Oxford: Oxford University Press, 2009.

Supranational Vs International

In the United States, the passing of the Patriot Act after the September 11 terrorist attacks ushered in a trend of heightened surveillance and weak regulatory oversight and disclosure. Another important area of difference with the United States is the EU dimension: democracy problems in Europe are not only the result of national-level problems, but also the way in which EU decisions increasingly override national democratic accountability.

Supranational Vs International

Between 1919 and 1922, national states with constitutional forms of government and strong legislatures emerged everywhere from the Baltic to the eastern Mediterranean.
