Dialect

But by changing the focus somewhat, he has perhaps suggested the importance of some social factors with which Trudgill's Norwich study was not concerned.

RP (Standard English Dialect)

Similarly, and Cape Coloureds , both descendant of mainly Dutch settlers, tend to pronounce English phonemes with a strong Afrikaans inflection. A coastal term, thought to be of Irish or even Middle Eastern origin, but seemingly limited to Yorkshire and Northumberland.

Course Catalogue

Regional varieties of English have historical causes that may go as far back as the Old English period. He taught me my history - Irish and Jamaican! There is also great variation within Greater , with various accents such as , , and being found all throughout the region and the. Yeats 1865—1939 , used selected features to give an Irish flavor to their works.

Real English : the grammar of English dialects in the British Isles in SearchWorks catalog

To this day, the lexicon of dialect speakers in the North and East Ridings of Yorkshire retains many words that derive from Old Norse. Over time, and especially for later generations, then the influence of the local traditional dialect features will become apparent - so that there are now accents that we can describe as West Midlands Asian or Bradford Asian.

Dialect

In the nineteenth and early twentieth centuries, Irish authors, especially Douglas Hyde 1860—1940 , J. Today, the Scouse accent is completely distinct from others in the North West of England and bears little resemblance to them. Since the service personnel share the same occupation, the common knowledge of this occupation among the families is greater than in other communities - though historically one would have found

something similar in areas dominated by a single form of employment or industry.
