Presentism: Don't Judge our Ancestors' Actions by Today's Standards

The less older does not which is a bit problematic for the younger generations.

The Words and Voices of our Ancestors « The History Interpreter

I was astonished to hear my father speaking in immaculate BBC English, despite the fact that he grew up in London poverty. Here you can show how exactly that your ancestor is related to you, and also add a face to the name. However the online sources are growing all the time.

What Things Can We Learn From Our Ancestors?

Or, you looking at all of your grandparents, or great grandparents are other examples. Our interest turns our hearts to our father. I had read that some connections could be 15 to 20 generations back.

Seven Tips for Writing a Family History

Hello Owain I really found your article very informative and full of useful tips. Is it a sultry tell-all, or just-the-facts? Make your initial visits short with someone you are just getting to know.
