Otherwise, if worker caused loss, he could not receive any pay for the defected product and needed to compensate for it.

Zhongguo da bai ke quan shu

Beyond the common ideology of PRC and USSR that brought similarities in the wage system, there were more direct influences from the Soviet Union on this issue. As early as 1958, in the , Mao mentioned that he preferred the provisioning system. Wen wu, bo wu guan ; Tu shu guan xue, qing bao xue, dang an xue ; Xin wen, chu ban -- 2.

Zhonghua Renmin Gongheguo jing ji dang an zi liao xuan bian, 1953

This practice was first implemented on the new workers. Communist neo-traditionalism: work and authority in Chinese industry. The events included in the National Examinations demonstrate the emphasis towards practical application and the modernization attempts by means of open competition in the hopes to popularize these practices.
