Revealing the truth about psychopolitics

Laing, Rebel and Pioneer On Schizophrenia, Is Dead at 61.

Reassessing R.D. Laing: pioneering psychiatrist or dangerous theorist?

Medication, and if people are very lucky 6 sessions of cbt by a person who actually isn't qualified to give it.

From Patients to Persons: The Psychiatric Critiques of Thomas Szasz, Peter Sedgwick and R.D. Laing by Janet Vice, Hardcover

The immense authority held by psychoanalysts over their patients affords fantastic opportunities for the unequal exercise of power upon or even against the helpless client. In my opinion, I feel Thomas szasz has a very good point when he talks about a disease model being flawed when it comes to accounting for problems with living.

American University Studies: Philosophy: From Patients to Persons : The Psychiatric Critiques of Thomas Szasz, Peter Sedgwick and R. D. Laing by Janet Vice (1993, Hardcover) for sale online

All show sympathy for the labelling approach to social problems and deviant behaviour. . The human capacity for deception is central to Szasz's intellectual program

Szasz, Thomas 1920

On the other hand, when the capitalist system fails to deliver on our dreams and goals, we are encouraged to blame ourselves for our failure to succeed. The myth of mental illness.

Reassessing R.D. Laing: pioneering psychiatrist or dangerous theorist?

The result is that most Americans today prefer a coercive and corrupt command drug economy to a free market in drugs. In this way, we can begin to focus on the question of what has happened to us in our lives, rather than to focusing on what is wrong with us.
