**Maximus Planudes**

The book itself is not well preserved.

**Esopete y storiado**

Joaquín de Eguía y Aguirre, tercer marqués de Narros, Secretario Perpetuo de la R. I have wanted to dip into de La Motte's fables, and this book at last gives me a chance.

**70576609**

That 1731 edition measures, like the present copy, about 6. MLN 105 1990 : 191-202. By Sir Roger L'Estrange, Kt.

**Vida y obra de Samaniego / Emilio Palacios Fernández**

This book is another star in this collection! La picaresca: orígenes, textos y estructuras. In I 12 a pet deer gets frisky and loses all inhibitions; the moral is pointed against country girls with soldiers. Are we to assume that Philelphus is Pilpai? I had been looking for some time for a second full copy of Peter Burman's famous commentary on Phaedrus, reproduced so many times in so many different ways.
