La seule exception à la technique de la lithographie originale de l'artiste concerne une gravure sur rhodoïd n° 36 du catalogue. Le catalogue raisonné des lithographies de Horst Antes a été établi par Bernd Lutze et publié par les Editions Belser en 1976. « Comme le note l'auteur dans sa préface, « l'oeuvre graphique de George Grosz colle au plus près de son oeuvre dessiné, reproduisant toujours le meilleur ». Nirarello, Kominiari and Herwig will work together from November 2012 to June 2013, travel the three countries involved and benefit from 10 day-working residencies in each partner institute.
