## The Desperate Plight Behind “Darkness at Noon”

He is a communist who has sacrificed much for the Party, but is still completely dedicated. Also, the testimony of Phlegon points to AD 33, not AD 31. Zion, OK, thanks for your clarifications, which are very useful.

## Darkness at Noon by Arthur Koestler Plot Summary

Kings, leaders, princes, priests, scribes, prophets, the common people—no one was exempt from the word of God through the prophets. Sinai, even the pillar of fire and cloud, all attributable to this close encounter with Venus. It can be compared to Orwell's novel not only for its vision of a totalitarian political state, but also for its penetrating insights into human nature and psychology.

## Darkness at Noon » Undivided Looking

Unfortunately, like many other ancient books, these writings have not survived, but they are referenced or quoted by other sources. This is actually a prophecy from the 8th century BC prophet Amos. Again Wikipedia informs us: in a list of sources mentions his work: From the three books of Thallus, in which he collects events briefly from the fall of Ilion to the 167th Olympiad.

Lately, though, he has been rethinking this loyalty because the Party he once believed in has turned into something different and the two decades of mass executions and the deaths of millions of people, the Utopian society that was promised still seems just as far away into the future as it ever

was. Can most people only really focus on either the individual in the foreground or humanity in the background? Jeremiah was a Jew who was condemned by other Jewish leaders because he offended and condemned them. Even if you think that the references to Jesus by the historians Josephus and Tacitus were interpolations by Christians, here's a little hint: if there were no Jesus, where did all of those Christian followers making these interpolations come from??? Bah, I don't like posting multiple comments in succession, but I was on the fence about whether to reply to comments not directed towards me.
