They were eager to establish direct links between their civilization and that of Egypt because Egypt was a vastly older culture, with elaborate religious customs and impressive monuments.

## **Black Athena revisited**

Unless, of course, he could not be distinguished from other Athenians because they all had dark skin; but then if they did, why did they not make themselves bear a closer resemblance the Ethiopians in their art? Although Alexandria was founded in 331 BC, it did not begin to function as a city until after 323. Chapel Hill : University of North Carolina Press MLA Citation Lefkowitz, Mary R.

## **Black Athena Revisited by Mary Lefkowitz**

Yurco, Egyptologist, Field Museum of Natural History and the University of Chicago About the Authors Mary R. The name Cleopatra was one of the names
