U.S. Constitution

The Meaning In 1863, based on his war powers see Article II, Section 2 , President Lincoln issued the Emancipation Proclamation, which freed the slaves held within any designated state and part of a state in rebellion against the United States. In one of his first official acts, Chase admitted , the first African-American to practice before the Supreme Court. Chicago, the Supreme Court struck down also in a 5-4 decision a similar citywide handgun ban, ruling that the Second Amendment applies to the states as well as to the federal government.

Constitution of the United States of America

FDR was the first and only president to serve more than two terms. Congress shall have power to enforce this article by appropriate legislation. The House of Representatives investigated the president and brought charges against him.

constitution

It has set a pattern for many other countries. But this Article shall not apply to any person holding the office of President when this Article was proposed by Congress, and shall not prevent any person who may be holding the office of President, or acting as President, during the term within which this Article becomes operative from holding the office of President or acting as President during the remainder of such term. Each week in the coming months, we will present their findings and arguments to you as we rediscover the Constitution.
