Essence and actuality are unified. This is intrinsically related to the aftermath of WWI with the collapse of Russian and Austrian empires. They fail to communicate linguistically in their search for inner truth.

Claude Lévi

Entering the darkroom of the video theatre, in a way, was a great relief from the neutral lighting of the exhibition space proper. This movement would later be called Edificism, which would be followed by Post-Edificism. Absolutely a starting point for academics in cognitive anthropology.

Savage Mind to Savage Machine — University of Minnesota Press

One interpretation of this change in tone, proposed by American anthropologist James T.

The Savage Mind by Claude Lévi

Whether Popenoë herself is aware of the centrality of space to her argument is debatable. Berkeley: University of California Press. Berkeley: University of California Press.

Savage Mind to Savage Machine — University of Minnesota Press

All science, he says, is either structuralist or reductionist. The book immediately became a bestseller despite the fact the unknown French author even to the educated Americans was not introduced in the translation.
