The woodcarver and death. (1965 edition)

Both death's head and cherub were widely employed motifs well into the late-eighteenth century, although the death's head appears more often on Boston stones than cherubs. Williams was born in February 27, 1960.

The woodcarver and death. (1965 edition)

Not surprisingly, the stake most whites had in the myth differed from that of most blacks.

Robin Wood Death

He remembered how often people are heard to say that death would be a blessing for such wretched creatures as Samni. Carver has without doubt done some very interesting things—things that were new to some of the people with whom he was associated, but a great many of them, if I am correctly informed, were not new to other people.

The woodcarver and death. (1965 edition)

The election of a peanut-growing President has evoked much journalistic analysis of his rural Southern roots. What he did was less important than what he was and the larger purposes his existence served for blacks and whites alike.

George Washington Carver And The Peanut

The Tuskegee Experiment Station served as a testing ground for crop varieties and fertilizers.

The Woodcarver and Death by Hagar Olsson

Not until the postwar years did he assume an innovative role with peanuts. An 1896 bulletin of the U. Finally, a black achiever of the right sort could set a suitable example for others of the race.
