## What are your funny/frustrating neighbor stories? : AskWomen

But I always thought it was kind of shitty how he thought the sound of a child doing what children do is horrible even though I did my part and tried to quiet her down , but he had no problem moaning and groaning and slapping and thrusting on his squeaky-ass mattress. She shows no qualms marching outside to bark at you that her son is trying to sleep at 8pm because you were having a regular-level conversation outside your own door with a missionary.

## Dialogue and conversation for learning, education and change
