Small Business & Entrepreneurship

The ubiquitous nature of information technology has given rise to a buzz word called.

Entrepreneurship and Small Business Management

A business plan lays out any objectives you have as well as your strategy for achieving those objectives. Successful businesses can also grow, and that means more money each year.

Small Business Management: An Entrepreneur's Guidebook

Whether a person is a solo entrepreneur or runs a Fortune 500 company, they need to understand how to communicate effectively to all stakeholders and potential stakeholders that touch the business. The questions in this quiz indicate to what extent you have the personal traits important to a business manager. How do you know what site to visit? This guide helps you to turn this hobby into a profitable business.

logo

You are responsible for everything that happens in your life. Data here is obtained from what are considered reliable sources; however, its accuracy, completeness, or reliability cannot be guaranteed. So what are you going to do about it? It looks at the various views of entrepreneurship before defining the characteristics that the author believes are required in order to be entrepreneurial.

Starting a Small Business? Welcome to Financial Management 101.

Glackin has succeeded in leading change in the practical fields of her research and has received numerous honors and awards. Developing management information system I have worked with and most of the reasons for their successful operations are because they have a robust management and.

5 Skills Every Entrepreneur Should Have

In my 31 years as an entrepreneur and consultant to companies, I've seen dozens of managers ruin their career and tens of owners go under and lose their businesses -- not because they weren't talented or smart enough -- but because they were trying to re-invent the wheel rather than rely on proven, tested methods that work.
