## Funding Resources

A presentation was made by both bidders on 23 rd November 2020 for the Evaluation of Innovative solutions within the project.

## Using participatory theatre in international community development

Innovation is the outcome of a mutual learning process between actors with complementary contributions constructivist perspective.

## Useful methods and ideas

The identification of candidate papers for inclusion in the sourcebook and the commissioning of new papers from invited contributors received special attention during this first phase.

## Funding Resources

However, facing up to this challenge is at the heart of a commitment to participatory research and development. Local people have started the reconstitution embracing environment and nature. Villagers carry out the analysis and set priorities, facilitated by extension volunteers 11.
