Spiral Journey

From the bedroom we would look out at the big fir tree in the backyard to see if the wind was roaring through it.

Old State House Museum Home

Scholarly understanding of the nature of these uses in prehistory is particularly limited by the poor preservation of plant resources in the archaeological record. When one of the great officials died, man of his family would sacrifice themselves in order to be buried with him, and mothers would even sacrifice their babies.

Parris Mound Site

. These were dominated by mission networks among the formerly larger chiefdoms of Guale north of the Altamaha River and Mocama south of it. Niki and Dave and I did some things together- watch movies, and that night, the sky transformed into the most incredible sunset- for 45 minutes of luminescent color and texture.

Great Lakes Copper Research Library

N3V38 2009 Dewey Decimal 985. The Wisconsin Archaeologist , New Series 43 1 :20-24. The principal soil types are the Sharkey and Sarpy series.

The lightning whelk: An enduring icon of southeastern North American spirituality

The difficult question as to what exactly constitutes a site was deliberately avoided. The Indians traded designs for blankets. We went above the Pass to some bowls filled with powder.

New Books

Bockstoce ; foreword by Felipe Fernandez-Armesto. From Cherokee accounts, maps of an even later period, and local names, we know that the Yuchi, at least some of them, settled the mouth of the Hiwassee River, and perhaps the island there, as well as at least one other locale nearby, Euchee Old Fields in Rhea County, which is probably the Chestowee reported by Charles Hicks.
