The element of danger is everything, he remarks. Anna Smith is a fitness and health specialist offering advice on fitness and healthy living wisdom that she practices to keep looking healthy and attractive. Moving from adding and taking away to purely reductive working, the architectural considerations of turning the work are eased considerably but continued removal of material through the rejection of forms deemed too obvious can mean one ends up with nothing.

The revival movement included elements of the Chicago style that developed during the 1920s, such as the use of a string bass instead of a tuba, and chordal instruments, in addition to the original format of the New Orleans style. A raga uses a series of five or more upon which a is constructed.

Extemporisation

In the Baroque era, performers improvised and keyboard players improvised based on notation. Blues People: Negro Music in White America.

Extemporization

The rhythm sections of these bands substitute the string bass for the tuba and the banjo for the banjo. A raga is based on a scale with a given set of notes, a typical order in which they appear in melodies, and characteristic musical motifs. In *The Cambridge History of Western Music Theory*, edited by Thomas Christensen, 477—502.
