Essential Psychology: A Concise Introduction

Pricing subject to change at any time.

Essentials of Understanding Psychology

With key features such as key terms, people and places, Facts gives you all. Professor Feldman, who went on to receive a doctorate in psychology from the University of Wisconsin—Madison, is now Deputy Chancellor and Professor of Psychological and Brain Sciences at the University of Massachusetts Amherst. In: Philip Banyard, Mark N.

Essential Psychology : Philip Banyard : 9781526456854

This book is based on the principles of cognitive-behavioral therapy, one of the most prominent evidence-based treatments for psychological disturbances ranging from low self-esteem to schizophrenia. But there was also, of course, a darker side.

Essentials of Understanding Psychology

The exercises help students to link their own experiences to the topics, providing an excellent framework for class discussions. If you read about narcissism on the internet, you will often encounter a whole mythology about people with narcissistic personality disorder.
